COVID-19 Dislocated Worker Grants

Grantor: U.S. Department of Labor

Due: Ongoing, reviewed on a rolling basis

Information: COVID-19 National Dislocated Worker Grants (DWGs) disburse funds through the United States Department of Labor (USDOL) to provide critically needed employment to vulnerable Georgians who have lost their job as a result of COVID-19. Funds are intended to provide immediate employment opportunities to Georgians to assist with cleanup and recovery efforts due to the COVID-19 pandemic.

Under a public health emergency declaration such as the coronavirus, the types of disaster-relief employment allowable include:

- Workers providing environmental services, sanitation and clean-up of public areas impacted by COVID-19. Highest priorities to public facilities such as court houses, city halls, schools, county and city jails, libraries, public transportation and applicable public lands.
- Workers engaged in the logistics and distribution of essential supplies, protective items and medical supplies. Delivering medicine, food, or other supplies to older individuals and other individuals with respiratory conditions and other chronic medical disorders, with appropriate training and precautions. Coronavirus infection has been the most harmful to these populations, and there may be heavy need for such services that traditional volunteer organizations cannot support alone.
- Helping set up quarantine areas and providing assistance to quarantined individuals.
- Organizing and coordinating recovery, quarantine, or other related activities.

For more information, please visit <https://www.dol.gov/agencies/eta/dislocated-workers>.

Eligibility: An individual eligible to receive services through this Disaster Recovery DWG must be one of the following:

- Temporarily or permanently laid off as a consequence of the disaster
- Dislocated workers or workers laid-off as a result of the disaster, including
 - Workers who are laid off as a result of a quarantine, because they miss work to care for a family member, or
 - Workers cannot come to their regular workplace in order to follow social distancing requirements
 - Workers laid off after a business closure related to disruptions caused by the outbreak and the efforts to contain it.
 - Self-employed individuals unemployed or underemployed because of the disaster
 - Long-term unemployed individuals.

Participants may be employed for a maximum of 12 months or 2,080 hours, whichever is longer.

Contact: For more information, please refer to this [webinar](#) or call: Lori Frazier Bearden | Deputy Commissioner, Economic and Workforce Development | Georgia Department of Labor | 148 Andrew Young International Blvd., N.E. COVID-19 Emergency School Nutrition Funding

Grantor: GENYOUth

Due: Ongoing; reviewed on a rolling basis

Information: GENYOUth is providing grants of up to \$3,000 per school to supply much-needed resources for meal distribution and delivery efforts to get food to students during COVID-19. From soft-sided coolers, bags and containers for individual servings, to protective gear for food service sanitation and safety, this equipment will help ensure our children continue to receive the nutritious meals they need. For more information or to apply, please visit <https://covid-19.genyouthnow.org/>.

Eligibility: Principals, School Nutrition Managers, School Nutrition Directors, and District Superintendents

Economic Development Administration (EDA) Public Works and Economic Adjustment Assistance Programs including CARES Act Funding

Grantor: Economic Development Administration

Due: Ongoing

Information: Under this NOFO, EDA solicits applications from applicants in rural and urban areas to provide investments that support construction, non-construction, technical assistance, and revolving loan fund projects under EDA's Public Works and EAA programs. Grants and cooperative agreements made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities. EDA provides strategic investments on a competitive-merit-basis to support economic development, foster job creation, and attract private investment in economically distressed areas of the United States. If you are interested in applying for a project of national impact/scope under the CARES Act; please inquire at RNTA@eda.gov.

For more information, please visit <https://www.grants.gov/web/grants/view-opportunity.html?oppld=321695>.

Eligibility: Eligible applicants for EDA financial assistance under the Public Works and EAA programs include a(n): (i) District Organization of a designated Economic Development District; (ii) Indian Tribe or a consortium of Indian Tribes; (iii) State, county, city, or other political subdivision of a State, including a special purpose unit of a State or local government engaged in economic or infrastructure development activities, or a consortium of political subdivisions; (iv) institution of higher education or a consortium of institutions of higher education; or (v) public or private non-profit organization or association acting in cooperation with officials of a political subdivision of a State.

Public Works and Economic Adjustment Assistance Programs with CARES Act Addendum

Grantor: U.S. Economic Development Administration (EDA)

Due: Ongoing

Information: EDA has published an [Addendum](#) to this Fiscal Year 2020 Public Works and Economic Adjustment Assistance Notice of Funding Opportunity (FY20 PWEAA NOFO). Under this announcement, EDA will make CARES Act Recovery Assistance grants under the authority of its Economic Adjustment Assistance (EAA) program, which is intended to be flexible and responsive to the economic development needs and priorities of local and regional stakeholders. EDA CARES Act Recovery Assistance investments will support a wide range of non-construction and construction activities, including Revolving Loan Funds, in regions across the country experiencing severe economic dislocations brought about by the coronavirus pandemic. Examples of projects that EDA may fund through its CARES Act Recovery Assistance include economic recovery planning and preparing technical assistance strategies to address economic dislocations caused by the coronavirus pandemic, preparing or updating resiliency plans to respond to future pandemics, implementing entrepreneurial support programs to diversify economies, and constructing public works and facilities that will support economic recovery, including the deployment of broadband for purposes including supporting telehealth and remote learning for job skills. Independently of the addendum, the Economic Development Administration's (EDA) Public Works and Economic Adjustment Assistance (EAA) programs also provide economically distressed communities and regions with comprehensive and flexible resources to address a wide variety of economic needs. Projects funded by these programs will support work in Opportunity Zones and will support the mission of the Department by, among other things, leading to the creation and retention of jobs and increased private investment, advancing innovation, enhancing the manufacturing capacities of regions, providing workforce development opportunities, and growing ecosystems that attract foreign direct investment. Through the PWEAA NOFO, EDA solicits applications from applicants in order to provide investments that support construction, non-construction, planning, technical assistance, and revolving loan fund projects under EDA's Public Works program and EAA programs (which includes Assistance to Coal Communities). Grants and cooperative agreements made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities, including those negatively impacted by changes to the coal economy. There are no submission deadlines under this opportunity. Applications will be accepted on an ongoing basis until a new PWEAA NOFO is published, this PWEAA NOFO is cancelled, or all funds have been expended.

For more information, please visit <https://www.eda.gov/funding-opportunities/>.

Eligibility: Eligible applicants are:

- Public and State controlled institutions of higher education
- Private institutions of higher education

Small Business Administration Economic Injury Disaster Loans

Grantor: U.S. Small Business Administration (SBA)

Due: Ongoing

Information: The U.S. Small Business Administration is offering designated states and territories low-interest federal disaster loans for working capital to small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19). Upon a request received from a state's or territory's Governor, the SBA will issue under its own authority, as provided by the Coronavirus Preparedness and Response Supplemental Appropriations Act that was recently signed by the President, an Economic Injury Disaster Loan declaration.

- Any such Economic Injury Disaster Loan assistance declaration issued by the SBA makes loans available statewide to small businesses and private, nonprofit organizations to help alleviate economic injury caused by the Coronavirus (COVID-19). This will apply to current and future disaster assistance declarations related to Coronavirus.
- The SBA's Office of Disaster Assistance will coordinate with the state's or territory's Governor to submit the request for Economic Injury Disaster Loan assistance.
- Once a declaration is made, the information on the application process for Economic Injury Disaster Loan assistance will be made available to affected small businesses within the state.
- The SBA's Economic Injury Disaster Loans offer up to \$2 million in assistance and can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing.
- These loans may be used to pay fixed debts, payroll, accounts payable and other bills that cannot be paid because of the disaster's impact. The interest rate is 3.75% for small businesses. The interest rate for non-profits is 2.75%.
- The SBA offers loans with long-term repayments in order to keep payments affordable, up to a maximum of 30 years. Terms are determined on a case-by-case basis, based upon each borrower's ability to repay.
- The SBA's Economic Injury Disaster Loans are just one piece of the expanded focus of the federal government's coordinated response, and the SBA is strongly committed to providing the most effective and customer-focused response possible.

Note: Additional Economic Injury Disaster Loan Funding – With the additional funding provided by the new COVID-19 relief package, SBA will resume processing EIDL Loan and Advance applications that are already in the queue on a first come, first-served basis. We will provide further information on the availability of the EIDL portal to receive new applications (including those from agricultural enterprises) as soon as possible.

Eligibility: Small business owners in all U.S. states and territories, including the entire state of Georgia, are currently eligible to apply for a low-interest loan due to Coronavirus (COVID-19).

Contact: For questions, please contact the SBA disaster assistance customer service center at +1.800.659.2955 (TTY: +1.800.877.8339) or email disastercustomerservice@sba.gov.

Distressed County Grants

Grantor: Appalachian Regional Commission

Due: Ongoing

Eligible Applicants: state and local agencies and governmental entities (such as economic development authorities), local governing boards (such as county councils), and nonprofit organizations (such as schools and organizations that build low-cost housing). Applicants must be within the ARC region in a county classified as distressed, which includes the following Georgia counties: Barrow, Bartow, Carroll, Chattooga, Douglas, Elbert, Floyd, Franklin, Gordon, Gwinnett, Habersham, Hall, Haralson, Hart, Murray, Polk, Rabun, Stephens, Walker, White, and Whitfield.

Information: ARC awards grants to projects that address one or more of the five goals identified by ARC in its **2016–2020 strategic plan** and that can demonstrate measurable results. The five goals identified by ARC are Business Development and Entrepreneurship, Education and Training, Health Care, Physical Infrastructure, and Leadership Development and Civic Capacity. ARC targets special resources to the most economically distressed counties in the Region, using a measure of economic distress based on three economic indicators: three-year average unemployment rates, per capita market income, and poverty rates. Besides allocating funding to benefit distressed counties, ARC has established other policies to reduce economic distress. ARC normally limits its maximum project funding contribution to 50 percent of costs, but it can increase its funding share to as much as 80 percent in distressed counties.

Downtown Development Revolving Loan Fund (DDRLF)

Grantor: Georgia Department of Community Affairs (DCA)

Due: Applications are accepted throughout the year.

Eligible Applicants: local development authorities in Georgia

Information: The purpose of the Downtown Development Revolving Loan Fund (DD RLF) is to assist cities, counties and development authorities in their efforts to revitalize and enhance downtown areas by providing below-market rate financing to fund capital projects in core historic downtown areas and adjacent historic neighborhoods where DD RLF will spur commercial redevelopment. Eligible applicants under this program shall be municipalities with a population of 100,000 or less, counties with a population of 100,000 or less proposing projects in a core historic commercial area, and development authorities proposing projects in a core historic commercial area in municipalities or counties with a population of 100,000 or less. The ultimate user of funds may be a private business or a public entity such as a city or development authority. Applicants must demonstrate that they have a viable downtown development project and clearly identify the proposed uses of the loan proceeds. Once approved, funds may be used for such activities as: real estate acquisition, development, redevelopment, and new construction; rehabilitation of public and private infrastructure and facilities; purchase of equipment and other assets (on a limited basis). The maximum loan is \$250,000 per project. Applications will be accepted throughout the year and as loan funds are available to the Department.

Economic Development Research Program (EDRP)

Grantor: Center for Economic Development Research, Georgia Tech's Enterprise Innovation Institute

Due: Ongoing

Information: The Center for Economic Development Research at Georgia Tech's Enterprise Innovation Institute will be funding a new round of Economic Development Research Program (EDRP) projects and is looking for communities to submit their applications for research. The mission of EDRP is to assist local communities by providing affordable economic development and policy research to enhance their competitive positions. The types of research include strategic planning and visioning, economic forecasting, fiscal and economic impact analysis, community assessments, downtown development planning, and workforce analysis and planning to name a few. If your community has a need for economic development research, is willing to become actively involved in the project during the study phase and follow-up implementation, and is willing to provide some level of cost match, Georgia Tech and EDA want to partner with you to conduct the research. There are limited funds available and projects will be chosen based on local commitment, likelihood of implementation, level of cost match, and obviously a match with the capabilities of the research team at Georgia Tech. We look forward to getting your applications and partnering with you to meet your community's research needs.

Renaissance Strategic Visioning and Planning Process (RSVP)

Grantor: Carl Vinson Institute of Government, University of Georgia

Due: Ongoing

Information: The Downtown Renaissance Strategic Visioning and Planning Process assists downtowns through the creation of a community-supported vision, plan, and implementation program. The RSVP is both a downtown master planning process and a downtown planning document that illustrates the community's vision for the future and provides the steps to get there. Driven by a robust public input process that seeks the participation of all community members, RSVPs help local governments and community partners prioritize top downtown issues and work to establish a consensus around what must be achieved in the short and long-term. For more information, please visit <https://cviog.uga.edu/services-and-research/planning-and-environmental-services/rsvp.html>.

Eligibility: Eligible applicants are cities in the State of Georgia with downtowns.

State Small Business Credit Initiative (SSBCI)

Grantor: Georgia Department of Community Affairs (DCA)

Due: Ongoing

Eligible Applicants: local development authorities in Georgia

Information: The Small Business Jobs Act of 2010 (the "Act") became law in the fall of 2010. The Act created the State Small Business Credit Initiative, funded with \$1.5 billion to strengthen state lending programs that support small businesses and manufacturers. Of the total amount funded, Georgia was allocated \$48,024,748.

The State of Georgia application to the U.S. Treasury was approved and the allocation agreement executed in December 2011. GHFA EDFI/Georgia Department of Community Affairs (DCA) is the administrator of the program. Per the agreement, the oversight with the U.S. Treasury expired on March 31, 2017.

Currently, Georgia's SSBCI offers two programs.

1. GA LPP (Georgia Loan Participation Program) is a program where the State purchases a participation of up to 25% of an approved loan, for loans ranging from \$100,000 to \$5,000,000. (Maximum participation amount depending on program liquidity) Current Maximum participation is \$250,000.
2. Georgia SBCG (Small Business Credit Guaranty) is a 50% loan guaranty program with a current maximum loan amount of \$400,000 with a \$200,000 guarantee.

Multi-Sport Courts Grant

Grantor: KaBOOM!

Due: December 31, 2020

Information: Sports courts help communities address a lack of play opportunities for older youth that no longer play on playgrounds. The interlocking panels are easy to install and maintain. Sports courts provide communities with a wide variety of different sports using the same space — such as basketball, hockey, volleyball and many other games.

Sports courts applications are accepted on a rolling basis throughout the year. For more information, please visit

https://kaboom.org/grants/multi_sport_courts.

Eligibility: Applicants must:

- Serve youth from low-income population and demonstrate the need for an engaging space for kids and older youth to play sports.
- Work with the community, with guidance from a dedicated KaBOOM! Project Manager, to fundraise toward the cost of equipment.
- Own the land on which you wish to build, or have a long-term lease and get permission from the landowner to construct a sports court.
- Demonstrate ability to recruit a team of parents, neighbors, and community members who are excited about serving on the planning committee for an eight to ten week period, plus recruit approximately 100-200 community members to participate on Build Day.
- Complete any needed site preparation to create a flat asphalt or concrete slab with dimensions of 64 feet by 40 feet or 74 feet by 42 feet.
- Secure soil tests, utility checks, and build permits in a timely manner.
- Identify community resources to secure additional in-kind contributions such as breakfast and lunch for Build Week, tools, restroom facilities and a dumpster.
- Accept ownership and maintenance responsibilities for the sports court upon completion of project.

The KaBOOM! Multi-sport Courts program provides the facilitation and support of an experienced Project Manager as community members embark on an eight- to ten-week planning process. After selection, all partners will join together for a community Design Day, inviting the youth that will utilize the Sports Court to design their new playspace.

The planning process culminates in a six-hour community-build day, where your community will transform your space to include a permanent play structure and site enhancements that make the space unique to your community. Site enhancements vary for each project due to location, budget and scope of project.

Public Humanities Projects

Grantor: National Endowment for the Humanities (NEH)

Due: August 31, 2020

Information: The Public Humanities Projects program supports projects that bring the ideas and insights of the humanities to life for general audiences through in-person programming. Projects must engage humanities scholarship to analyze significant themes in disciplines such as history, literature, ethics, and art history.

The program supports projects in three categories:

Exhibitions (permanent, temporary, or traveling)

Interpretive programs at Historic Places

Humanities Discussions related to **“A More Perfect Union”**: NEH Special Initiative Advancing Civic Education and Commemorating the Nation’s 250th Anniversary.

Regardless of proposed activity, NEH encourages applicants to explore humanities ideas through multiple formats.

Proposed projects may include complementary components: for example, a museum exhibition might be accompanied by a website or mobile app. Applicants are also advised to consider developing partnerships with other institutions, particularly organizations such as cultural alliances, broadcast media stations, cultural heritage centers, state humanities councils, veterans’ centers, and libraries.

For more information, please visit <https://www.neh.gov/grants/public/public-humanities-projects>.

Eligibility: U.S. nonprofit organizations with 501(c)(3) tax-exempt status, state and local governmental agencies, and federally recognized Native American tribal governments are eligible to apply. Eligible organizations include accredited public or private 501(c)(3) institutions of higher education.

Our Town Program

Grantor: National Endowment for the Arts (NEA)

Due: August 6, 2020

Information: Our Town is the National Endowment for the Arts' creative placemaking grants program. These grants support projects that integrate arts, culture, and design activities into efforts that strengthen communities by advancing local economic, physical, and/or social outcomes. Successful Our Town projects ultimately lay the groundwork for systemic changes that sustain the integration of arts, culture, and design into strategies for strengthening communities. NEA encourages applications for artistically excellent projects that:

- Bring new attention to or elevate key community assets and issues, voices of residents, local history, or cultural infrastructure.
- Inject new or additional energy, resources, activity, people, or enthusiasm into a place, community issue, or local economy.
- Envision new possibilities for a community or place - a new future, a new way of overcoming a challenge, or approaching problem-solving.
- Connect communities, people, places, and economic opportunity via physical spaces or new relationships.

The National Endowment for the Arts plans to support a variety of projects across the country in urban, rural, and tribal communities of all sizes.

For more information, please visit <https://www.arts.gov/grants-organizations/our-town/grant-program-description>.

Eligibility: All applications require partnerships that involve at least two primary partners as defined by these guidelines: a nonprofit organization and a local governmental entity. One of the two primary partners must be a cultural (arts or design) organization. Additional partners are encouraged.

One of the two primary partners must act as the official applicant (lead applicant). This lead applicant must meet the eligibility requirements, submit the application, and assume full responsibility for the grant.

Eligible lead applicants are:

- Nonprofit tax-exempt 501(c)(3) U.S. organizations with a documented completed three-year history of programming. For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status.
- Local governments. For the purposes of these guidelines, local governments are defined as counties, parishes, cities, towns, villages, or federally recognized tribal governments. Local arts agencies or other departments, agencies, or entities within an eligible local government may submit the application on behalf of that local government. The following do not qualify as local governments: state level government agencies, other state-designated entities, state higher education institutions, regional governments and entities, quasi-government organizations, regional planning organizations, and business improvement districts.

Contact: Please email staff at please contact the staff at OT@arts.gov.

Vibrant Communities Grant

Grantor: Georgia Council for the Arts

Due: August 28, 2020

Information: Vibrant Communities Grants support single art projects such as an art exhibit, a theatre production, a series of workshops for children, or an artist residency. To help applicant communities identify qualified artists, GCA will add a supplement to the guidelines that lists Georgia artists and arts organizations with programs that could be covered by the grant. Organizations that apply for the Vibrant Communities Grant are not required to use artists on the list, but the list may help some communities find programs that would best serve their needs. Each community will contract directly with an artist, and that community is responsible for making all arrangements for the program and for payment. Due to COVID-19 and potential restrictions on the size of in-person gatherings allowed during the time period in which programs funded by the FY21 Vibrant Communities grant may take place, the Georgia Council for the Arts is encouraging artists to be as flexible as possible in their program delivery. This year, the application asks artists to identify if their programs are available live and indoors, live and outdoors, live and online, recorded and online, and/or by other means. In addition, please be aware that rescheduling may be required for programs booked with Vibrant Communities grantees. GCA is being as flexible as possible with grantees concerning their need to reschedule programs funded by the Vibrant Communities grant.

For more information, please visit <https://gaarts.org/what-we-do/grants/vibrant-communities-grant/>.

Eligibility: Eligible applicants are non-profit organizations, government entities, public libraries, schools and colleges/universities in counties in which no organization receives a Project, Partner, or Arts Education Program Grant.

Contact: If you have any questions, please contact Tina Lilly, GCA Grants Program Director, at tlilly@gaarts.org or (404) 962-4827, or Allen Bell, Arts Education Manager, at abell@gaarts.org or (404) 962-4839.

Edward Byrne Memorial Justice Assistance Grant (JAG) Program

Grantor: U.S. Department of Justice (DOJ)

Due: August 19, 2020

Information: The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to states and units of local government. The Bureau of Justice Assistance (BJA) will award JAG Program funds to eligible units of local government under this FY 2020 JAG Program Local Solicitation. In general, JAG funds awarded to a unit of local government under this solicitation may be used to provide additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice, including any one or more of the following:

- Law enforcement programs
- Prosecution and court programs
- Prevention and education programs
- Corrections and community corrections programs
- Drug treatment and enforcement programs
- Planning, evaluation, and technology improvement programs
- Crime victim and witness programs (other than compensation)
- Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams.

Areas of Emphasis: BJA recognizes that many state and local criminal justice systems currently face challenging fiscal environments and that an important, cost-effective way to relieve those pressures is to share or leverage resources through cooperation among federal, state, and local law enforcement. BJA intends to focus much of its work on addressing violent crime, enforcing firearms laws, officer safety and wellness, safe policing for safe communities, and fentanyl detection. BJA encourages each recipient of a FY 2020 JAG award to join federal law enforcement agencies across the board in addressing these challenges. Additional details on the BJA areas of emphasis can be found at <https://bja.ojp.gov/program/jag/fy-2020-local-jag-information#3bw09f>.

For more information, please visit <https://bja.ojp.gov/funding/opportunities/bja-2020-17276>.

Eligibility: Only units of local government may apply under this solicitation. By law, for purposes of the JAG Program, the term “units of local government” includes a town, township, village, parish, city, county, borough, or other general purpose political subdivision of a state; or, it may be a federally recognized Indian tribal government that performs law enforcement functions (as determined by the Secretary of the Interior). A unit of local government also may be any law enforcement district or judicial enforcement district established under applicable state law with authority to independently establish a budget and impose taxes.

Contact: For assistance with any requirement of this solicitation, applicants may contact the NCJRS Response Center by phone at +1 800.851.3420 or by email at grants@ncjrs.gov.

Victims of Crime Act Grant Program (VOCA Georgia)

Grantor: Georgia Criminal Justice Coordinating Council

Due: August 14, 2020

Information: The VOCA Formula Grant Program, created under the 1984 Victims of Crime Act, provides federal funding to support victim assistance and compensation programs, to provide training for diverse professionals who work with victims, to develop projects to enhance victims' rights and services, and to undertake public education and awareness activities on behalf of crime victims. The Office for Victims of Crime (OVC) provides federal funds to support victim assistance and compensation programs around the country. The Crime Victims' Fund is the source of funding for these programs. Millions of dollars are deposited into the Crime Victims' Fund annually from criminal fines, forfeited bail bonds, penalties, and special assessments collected by U.S. Attorneys' Offices, federal U.S. courts, and the Federal Bureau of Prisons. To date, Crime Victims' Fund dollars have always come from offenders convicted of federal crimes, not from taxpayers. According to the 2016 VOCA Program Rules, direct services or services to victims of crime are defined as those efforts that (1) respond to the emotional, psychological, and physical needs of crime victims, (2) assist victims to stabilize their lives after victimization, (3) assist victims to understand and participate in the criminal justice system, or (4) restore a measure of safety and security for the victim. For the purpose of the VOCA Crime Victim Assistance grant program, a crime victim or victim of crime is a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime. Generally, funding cannot be used for the investigation of crimes or collection of evidence to further the prosecution of crimes.

For more information, please visit <https://cjcc.georgia.gov/grants/funding-opportunities/current-grant-opportunities>.

Eligibility: Awards are limited to organizations that provide services to crime victims and are operated by a public agency, a nonprofit organization, or a combination of such agencies or organizations. Service provision must be available to crime victims regardless of victims' participation in the criminal justice system and immigration status. Please note any award made pursuant to this solicitation is dependent upon the receipt and availability of federal grant awards and any requirements or conditions attached thereto.

An eligible applicant must meet the following criteria:

- Be a non-profit organization or a public government entity
- Serve as the fiscal agent for the grant and the point of contact to CJCC
- Be responsible, liable, and oversee financial, program, and post-award reporting requirements
- Be certified and eligible to receive Local Victim Assistance Program (LVAP) 5% funds, and
- Have a history of providing specialized, trauma-informed direct services to victims.

Choice Neighborhoods and Planning Program

Grantor: U.S. Department of Housing and Urban Development (HUD)

Due: September 14, 2020

Information: The Choice Neighborhoods program leverages significant public and private dollars to support locally driven strategies that address struggling neighborhoods with distressed public and/or HUD-assisted housing through a comprehensive approach to neighborhood transformation. Local leaders, residents, and other stakeholders, such as public housing agencies, cities, schools, police, business owners, nonprofits, and private developers, come together to create and implement a plan that revitalizes distressed HUD housing and addresses the challenges in the surrounding neighborhood. The program helps communities transform neighborhoods by redeveloping severely distressed public and/or HUD-assisted housing and catalyzing critical improvements in the neighborhood, including vacant property, housing, businesses, services and schools. To this end, Choice Neighborhoods is focused on three core goals:

- **Housing:** Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood.
- **People:** Improve outcomes of households living in the target housing related to employment and income, health, and children's education, and
- **Neighborhood:** Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community.

To achieve these core goals, successful applicants must develop and implement a comprehensive neighborhood revitalization strategy, or "Transformation Plan." This Transformation Plan becomes the guiding document for the revitalization of the public and/or assisted housing units, while simultaneously directing the transformation of the surrounding neighborhood. For more information, please visit

https://www.hud.gov/sites/dfiles/SPM/documents/CNP_FY20_FR-6400-N-38.pdf

Eligibility: Eligible applicants are Public Housing Authorities (PHAs), local governments, tribal entities, and nonprofits.

Contact: Questions regarding specific program requirements should be directed via email to ChoiceNeighborhoods@hud.gov.

Lead Hazard Reduction Grant Program

Grantor: U.S. Department of Housing and Urban Development (HUD)

Due: August 24, 2020

Information: The purpose of the Lead-Based Paint Hazard Reduction (LHR) grant program is to maximize the number of children under the age of six years protected from lead poisoning by assisting states, cities, counties/parishes, Native American Tribes or other units of local government in undertaking comprehensive programs to identify and control lead-based paint hazards in eligible privately-owned rental or owner-occupied housing populations.

Program funds will be awarded to applicants to accomplish the following objectives:

- Targeted Units - Target lead hazard control efforts in housing units where children less than six years of age are at greatest risk of lead poisoning (pre-1960, and, especially, pre-1940 construction), which has historically included children in low-income and minority neighborhoods, to reduce the likelihood of elevated blood lead levels in these children.
- Cost Effectiveness - Utilize cost-effective lead hazard control methods and approaches that ensures the long-term safety of the building occupants.
- Capacity - Build local capacity of trained and certified individuals and firms to safely and effectively address lead hazards during lead hazard control, and renovation, remodeling, and maintenance activities. Another core element for capacity includes the development of comprehensive, community-based approaches to integrating this grant program within other local initiatives through public and private partnerships that address housing related health and safety hazards and or serve low income families with children under the age of six.
- Affirmative Marketing - Establish and implement a detailed process of monitoring and ensuring that units made lead-safe units are affirmatively marketed, and priority given, to families with children under the age of six years for not less than three years.
- Data Collection - Gather pre- and post-treatment data that supports and validates lead hazard control investments. Program data collected should support the evaluation of grant program activities and outcomes.
- Targeted Outreach and Education - Conducting targeted outreach, affirmative marketing, education or outreach programs on lead hazard control and lead poisoning prevention designed to increase the ability of the applicant to deliver the specified lead hazard control services through this program; including educating owners of eligible rental properties, tenants, and others on the benefits and expectations of participating in this program provided by Title X of the Residential Lead-Based Paint Hazard Reduction Act.
