## COVID-19 Dislocated Worker Grants

Grantor: U.S. Department of Labor

**Due:** Ongoing, reviewed on a rolling basis

**Information:** COVID-19 National Dislocated Worker Grants (DWGs) disburse funds through the United States Department of Labor (USDOL) to provide critically needed employment to vulnerable Georgians who have lost their job as a result of COVID-19. Funds are intended to provide immediate employment opportunities to Georgians to assist with cleanup and recovery efforts due to the COVID-19 pandemic.

Under a public health emergency declaration such as the coronavirus, the types of disaster-relief employment allowable include:

- Workers providing environmental services, sanitation and clean-up of public areas impacted by COVID-19. Highest priorities to public facilities such as court houses, city halls, schools, county and city jails, libraries, public transportation and applicable public lands.
- Workers engaged in the logistics and distribution of essential supplies, protective items and medical supplies. Delivering medicine, food, or other supplies to older individuals and other individuals with respiratory conditions and other chronic medical disorders, with appropriate training and precautions. Coronavirus infection has been the most harmful to these populations, and there may be heavy need for such services that traditional volunteer organizations cannot support alone.
- Helping set up quarantine areas and providing assistance to quarantined individuals.
- Organizing and coordinating recovery, quarantine, or other related activities.

For more information, please visit [the program webpage](#).

**Eligibility:** An individual eligible to receive services through this Disaster Recovery DWG must be one of the following:

- Temporarily or permanently laid off as a consequence of the disaster
- Dislocated workers or workers laid-off as a result of the disaster, including
  - Workers who are laid off as a result of a quarantine, because they miss work to care for a family member
  - Workers cannot come to their regular workplace in order to follow social distancing requirements
  - Workers laid off after a business closure related to disruptions caused by the outbreak and the efforts to contain it.
  - Self-employed individuals unemployed or underemployed because of the disaster
  - Long-term unemployed individuals.

Participants may be employed for a maximum of 12 months or 2,080 hours, whichever is longer.

**Contact:** For more information, please refer to this [webinar](#) or call: Lori Frazier Bearden | Deputy Commissioner, Economic and Workforce Development | Georgia Department of Labor | 148 Andrew Young International Blvd., N.E. Suite 600 | Atlanta, Georgia 30303-1751 | Phone: 404.232.7444 | Cell: 404.780.4948

## COVID-19 Emergency School Nutrition Funding

Grantor: GENYOUth

**Due:** Ongoing; reviewed on a rolling basis

**Information:** GENYOUth is providing grants of up to \$3,000 per school to supply much-needed resources for meal distribution and delivery efforts to get food to students during COVID-19. From soft-sided coolers, bags and containers for individual servings, to protective gear for food service sanitation and safety, this equipment will help ensure our children continue to receive the nutritious meals they need. For more information or to apply, please visit [the program webpage](#).

**Eligibility:** Principals, School Nutrition Managers, School Nutrition Directors, and District Superintendents

## Economic Development Administration (EDA) Public Works and Economic Adjustment Assistance Programs

Grantor: Economic Development Administration

**Due:** Ongoing

**Information:** Under this NOFO, EDA solicits applications from applicants in rural and urban areas to provide investments that support construction, non-construction, technical assistance, and revolving loan fund projects under EDA's Public Works and EAA programs. Grants and cooperative agreements made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities. EDA provides strategic investments on a competitive-merit-basis to support economic development, foster job creation, and attract private investment in economically distressed areas of the United States. If you are interested in applying for a project of national impact/scope under the CARES Act; please inquire at [RNTA@eda.gov](mailto:RNTA@eda.gov).

For more information, please visit [the program webpage](#).

**Eligibility:** Eligible applicants for EDA financial assistance under the Public Works and EAA programs include a(n): (i) District Organization of a designated Economic Development District; (ii) Indian Tribe or a consortium of Indian Tribes; (iii) State, county, city, or other political subdivision of a State, including a special purpose unit of a State or local government engaged in economic or infrastructure development activities, or a consortium of political subdivisions; (iv) institution of higher education or a consortium of institutions of higher education; or (v) public or private non-profit organization or association acting in cooperation with officials of a political subdivision of a State.

**Contact:** For a full list of EDA contacts, please visit [the contact webpage](#).

## Public Works and Economic Adjustment Assistance Programs with CARES Act Addendum

Grantor: U.S. Economic Development Administration (EDA)

**Due:** Ongoing

**Information:** EDA has published an [Addendum](#) to this Fiscal Year 2020 Public Works and Economic Adjustment Assistance Notice of Funding Opportunity (FY20 PWEAA NOFO). Under this announcement, EDA will make CARES Act Recovery Assistance grants under the authority of its Economic Adjustment Assistance (EAA) program, which is intended to be flexible and responsive to the economic development needs and priorities of local and regional stakeholders. EDA CARES Act Recovery Assistance investments will support a wide range of non-construction and construction activities, including Revolving Loan Funds, in regions across the country experiencing severe economic dislocations brought about by the coronavirus pandemic. Examples of projects that EDA may fund through its CARES Act Recovery Assistance include economic recovery planning and preparing technical assistance strategies to address economic dislocations caused by the coronavirus pandemic, preparing or updating resiliency plans to respond to future pandemics, implementing entrepreneurial support programs to diversify economies, and constructing public works and facilities that will support economic recovery, including the deployment of broadband for purposes including supporting telehealth and remote learning for job skills. Independently of the addendum, the Economic Development Administration's (EDA) Public Works and Economic Adjustment Assistance (EAA) programs also provide economically distressed communities and regions with comprehensive and flexible resources to address a wide variety of economic needs. Projects funded by these programs will support work in Opportunity Zones and will support the mission of the Department by, among other things, leading to the creation and retention of jobs and increased private investment, advancing innovation, enhancing the manufacturing capacities of regions, providing workforce development opportunities, and growing ecosystems that attract foreign direct investment. Through the PWEAA NOFO, EDA solicits applications from applicants in order to provide investments that support construction, non-construction, planning, technical assistance, and revolving loan fund projects under EDA's Public Works program and EAA programs (which includes Assistance to Coal Communities). Grants and cooperative agreements made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities, including those negatively impacted by changes to the coal economy. There are no submission deadlines under this opportunity. Applications will be accepted on an ongoing basis until a new PWEAA NOFO is published, this PWEAA NOFO is cancelled, or all funds have been expended. For more information, please visit [the program webpage](#).

**Eligibility:** Eligible applicants are: Public and State controlled institutions of higher education; Private institutions of higher education; Native American tribal governments (federally recognized); City or township governments; Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education; State governments; Special district governments; County governments; Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education

**Contact:** EDA staff provides technical assistance to prospective applicants to assist in application development and submission. Applicants are strongly encouraged to contact the EDA representative listed for Georgia:

Jonathan Corso | 401 West Peachtree Street, NW | Suite 1820 | Atlanta, GA 30308-3510 | Email: [jcorso@eda.gov](mailto:jcorso@eda.gov) | Phone: 404.809.7094

## Restoration & Resilience COVID Recovery Fund – NEW

Grantor: National Environmental Education Foundation (NEEF)

**Due:** January 15, 2021

**Information:** Thanks to major support from Toyota Motor North America, International Paper (IP), and the Hilton Effect Foundation, the National Environmental Education Foundation (NEEF) announces \$128,000 in grant funding to support public lands that have been impacted by increased use during the COVID-19 pandemic.

Through this funding, NEEF will sponsor public lands sites in order to:

- Demonstrate the need for volunteer service to restore public lands that have been impacted by increased use during the COVID-19 pandemic.
- Engage volunteers in restoration and conservation projects that address the impacts of the pandemic.
- Contribute to improvement of the sponsored public land sites through community engagement, as evidenced by volunteer participation numbers, types of projects, value of volunteer service, and conservation outputs.

Strong applications will include the following:

- Applicants can request up to \$2,500 to be spent over six (6) months.
- Applicants must clearly describe the impact of the COVID-19 pandemic on the public land site (e.g., wear and tear on trails due to increased public use, increased litter, postponed projects such as planting/invasive species removal, etc.)
- Applicants must clearly describe a project (or projects) they will implement to address the impact of the pandemic.

**Eligibility:** This program is open to nonprofit 501(c)(3) organizations, state or federal government agencies, federally recognized tribes and local governments, and educational institutions.

**Contact:** If you have any questions, please send an email to [grantsadmin@neefusa.org](mailto:grantsadmin@neefusa.org).

## Small Business Administration Economic Injury Disaster Loans

Grantor: U.S. Small Business Administration (SBA)

**Due:** Ongoing

**Information:** The U.S. Small Business Administration is offering designated states and territories low-interest federal disaster loans for working capital to small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19). Upon a request received from a state's or territory's Governor, the SBA will issue under its own authority, as provided by the Coronavirus Preparedness and Response Supplemental Appropriations Act that was recently signed by the President, an Economic Injury Disaster Loan declaration.

- Any such Economic Injury Disaster Loan assistance declaration issued by the SBA makes loans available statewide to small businesses and private, nonprofit organizations to help alleviate economic injury caused by the Coronavirus (COVID-19). This will apply to current and future disaster assistance declarations related to Coronavirus.
- The SBA's Office of Disaster Assistance will coordinate with the state or territory's Governor to submit the request for Economic Injury Disaster Loan assistance.
- Once a declaration is made, the information on the application process for Economic Injury Disaster Loan assistance will be made available to affected small businesses within the state.
- The SBA's Economic Injury Disaster Loans offer up to \$2 million in assistance and can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing.
- These loans may be used to pay fixed debts, payroll, accounts payable and other bills that cannot be paid because of the disaster's impact. The interest rate is 3.75% for small businesses. The interest rate for non-profits is 2.75%.
- The SBA offers loans with long-term repayments in order to keep payments affordable, up to a maximum of 30 years. Terms are determined on a case-by-case basis, based upon each borrower's ability to repay.

**Note:** Additional Economic Injury Disaster Loan Funding – With the additional funding provided by the new COVID-19 relief package, SBA will resume processing EIDL Loan and Advance applications that are already in the queue on a first come, first-served basis. We will provide further information on the availability of the EIDL portal to receive new applications (including those from agricultural enterprises) as soon as possible.

**Eligibility:** Small business owners in all U.S. states and territories, including the entire state of Georgia, are currently eligible to apply for a low-interest loan due to Coronavirus (COVID-19).

**Contact:** For questions, please contact the SBA disaster assistance customer service center at +1.800.659.2955 (TTY: +1.800.877.8339) or email [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov).

## Southern Smoke Emergency Relief Program

Grantor: Southern Smoke

**Due:** Ongoing

**Information:** This grant is *not* COVID-19 specific. Southern Smoke is a nonprofit 501c3 charitable foundation. Our Emergency Relief Program provides emergency funding to those employed by or own restaurants or bars or are employed by a restaurant or bar supplier that are faced unforeseen expenses that cannot or will not be covered by insurance. We stand with those in our community and are committed to "taking care of our own". Please fill out the application if you believe you meet the necessary criteria for Southern Smoke's Emergency Relief Fund. Please only apply if insurance is not providing you with compensation for your emergency. For more information or to apply, please visit [the application webpage](#).

## Business Development Revolving Loan Fund Grants

Grantor: Appalachian Regional Commission

**Due:** Ongoing

**Eligible Applicants:** state and local agencies and governmental entities (such as economic development authorities), local governing boards (such as county councils), and nonprofit organizations (such as schools and organizations that build low-cost housing). Applicants must be within the ARC region, which includes the following Georgia counties: Banks, Barrow, Bartow, Carroll, Catoosa, Chattooga, Cherokee, Dade, Dawson, Douglas, Elbert, Fannin, Floyd, Forsyth, Franklin, Gilmer, Gordon, Gwinnett, Habersham, Hall, Haralson, Hart, Heard, Jackson, Lumpkin, Madison, Murray, Paulding, Pickens, Polk, Rabun, Stephens, Towns, Union, Walker, White, and Whitfield.

**Information:** ARC awards grants to projects that address one or more of the five goals identified by ARC in its **2016–2020 strategic plan** and that can demonstrate measurable results. The five goals identified by ARC are Business Development and Entrepreneurship, Education and Training, Health Care, Physical Infrastructure, and Leadership Development and Civic Capacity. Business development revolving loan funds (RLFs) are pools of money used by grantees for the purpose of making loans to create and retain jobs. As loans are repaid, money is returned to the fund and made available for additional loans. ARC has long used revolving loan funds as an effective tool of economic development.

## Community Facilities Direct Loan & Grant Program

Grantor: Rural Business-Cooperative Service, U.S. Department of Agriculture (USDA)

**Due:** Applications are accepted year round.

**Eligible Applicants:** public bodies; community-based nonprofit corporations

**Information:** This program provides affordable funding to develop essential community facilities in rural areas. An essential community facility is defined as a facility that provides an essential service to the local community for the orderly development of the community in a primarily rural area, and does not include private, commercial or business undertakings. Examples of essential community facilities include:

- Health care facilities such as hospitals, medical clinics, dental clinics, nursing homes or assisted living facilities
- Public facilities such as town halls, courthouses, airport hangars or street improvements
- Community support services such as child care centers, community centers, fairgrounds or transitional housing
- Public safety services such as fire departments, police stations, prisons, police vehicles, fire trucks, public works vehicles or equipment
- Educational services such as museums, libraries or private schools
- Utility services such as telemedicine or distance learning equipment
- Local food systems such as community gardens, food pantries, community kitchens, food banks, food hubs or greenhouses

Rural areas including cities, villages, townships and towns including Federally Recognized Tribal Lands with no more than 20,000 residents according to the latest U.S. Census Data are eligible for this program. Funds can be used to purchase, construct, and / or improve essential community facilities, purchase equipment and pay related project expenses.

Contact the Rural Development Georgia Community Programs Division before attempting to complete any forms or applications for the loan or grant program. Application forms are available at [the program webpage](#).

## Community Food Projects Competitive Grant Program – NEW

Grantor: U.S. Department of Agriculture (USDA)

**Due:** May 4, 2021

**Information:** Community Food Projects are intended to bring together stakeholders from the distinct parts of the food system and to foster understanding of national food security trends and how they might improve local food systems. Communities that are partially or fully located in Opportunity Zones are particularly encouraged to apply.

In FY 2021, the CFP intends to solicit applications and fund two types of grants: Community Food Projects (CFP) and Planning Projects (PP). The purpose of the CFP is to support the development of projects with a one-time infusion of federal dollars to make such projects self-sustaining. CFPs are designed to create community-based food projects with objectives, activities and outcomes that are in alignment with Community Food Projects Competitive Grants Program (CFPCGP) primary goals. The purpose of a Planning Project (PP) is to complete a plan toward the improvement of community food security in keeping with the primary goals of the CFPCGP. PPs are to focus on a defined community and describe in detail the activities and outcomes of the planning project.

**Eligibility:** Public food program service providers, tribal organizations, or private nonprofit entities are eligible to receive a CFP or PP award.

**Contact:** For more information, please contact Lisa Jahns, Biological Science Specialist, at [lisa.jahns@usda.gov](mailto:lisa.jahns@usda.gov).

## Distressed County Grants

Grantor: Appalachian Regional Commission

**Due:** Ongoing

**Eligible Applicants:** state and local agencies and governmental entities (such as economic development authorities), local governing boards (such as county councils), and nonprofit organizations (such as schools and organizations that build low-cost housing). Applicants must be within the ARC region in a county classified as distressed, which includes the following Georgia counties: Barrow, Bartow, Carroll, Chattooga, Douglas, Elbert, Floyd, Franklin, Gordon, Gwinnett, Habersham, Hall, Haralson, Hart, Murray, Polk, Rabun, Stephens, Walker, White, and Whitfield.

**Information:** ARC awards grants to projects that address one or more of the five goals identified by ARC in its **2016–2020 strategic plan** and that can demonstrate measurable results. The five goals identified by ARC are Business Development and Entrepreneurship, Education and Training, Health Care, Physical Infrastructure, and Leadership Development and Civic Capacity. ARC targets special resources to the most economically distressed counties in the Region, using a measure of economic distress based on three economic indicators: three-year average unemployment rates, per capita market income, and poverty rates. Besides allocating funding to benefit distressed counties, ARC has established other policies to reduce economic distress. ARC normally limits its maximum project funding contribution to 50 percent of costs, but it can increase its funding share to as much as 80 percent in distressed counties.

## Downtown Development Revolving Loan Fund (DDRLF)

Grantor: Georgia Department of Community Affairs (DCA)

**Due:** Applications are accepted throughout the year.

**Eligible Applicants:** local development authorities in Georgia

**Information:** The purpose of the Downtown Development Revolving Loan Fund (DD RLF) is to assist cities, counties and development authorities in their efforts to revitalize and enhance downtown areas by providing below-market rate financing to fund capital projects in core historic downtown areas and adjacent historic neighborhoods where DD RLF will spur commercial redevelopment. Eligible applicants under this program shall be municipalities with a population of 100,000 or less, counties with a population of 100,000 or less proposing projects in a core historic commercial area, and development authorities proposing projects in a core historic commercial area in municipalities or counties with a population of 100,000 or less. The ultimate user of funds may be a private business or a public entity such as a city or development authority. Applicants must demonstrate that they have a viable downtown development project and clearly identify the proposed uses of the loan proceeds. Once approved, funds may be used for such activities as: real estate acquisition, development, redevelopment, and new construction; rehabilitation of public and private infrastructure and facilities; purchase of equipment and other assets (on a limited basis). The maximum loan is \$250,000 per project. Applications will be accepted throughout the year and as loan funds are available to the Department.

## Economic Development Research Program (EDRP)

Grantor: Center for Economic Development Research, Georgia Tech's Enterprise Innovation Institute

**Due:** Ongoing (recently released a new call for applications)

**Information:** The Center for Economic Development Research at Georgia Tech's Enterprise Innovation Institute will be funding a new round of Economic Development Research Program (EDRP) projects and is looking for communities to submit their applications for research. The mission of EDRP is to assist local communities by providing affordable economic development and policy research to enhance their competitive positions. The types of research include strategic planning and visioning, economic forecasting, fiscal and economic impact analysis, community assessments, downtown development planning, and workforce analysis and planning to name a few. If your community has a need for economic development research, is willing to become actively involved in the project during the study phase and follow-up implementation, and is willing to provide some level of cost match, Georgia Tech and EDA want to partner with you to conduct the research. There are limited funds available and projects will be chosen based on local commitment, likelihood of implementation, level of cost match, and obviously a match with the capabilities of the research team at Georgia Tech. We look forward to getting your applications and partnering with you to meet your community's research needs.

**Eligibility:** Any local government in the southeastern United States

## Renaissance Strategic Visioning and Planning Process (RSVP)

Grantor: Carl Vinson Institute of Government, University of Georgia

**Due:** Ongoing

**Information:** The Downtown Renaissance Strategic Visioning and Planning Process assists downtowns through the creation of a community-supported vision, plan, and implementation program. The RSVP is both a downtown master planning process and a downtown planning document that illustrates the community's vision for the future and provides the steps to get there. Driven by a robust public input process that seeks the participation of all community members, RSVPs help local governments and community partners prioritize top downtown issues and work to establish a consensus around what must be achieved in the short and long-term. For more information, please visit [the program webpage](#).

**Eligibility:** Eligible applicants are cities in the State of Georgia with downtowns.

## State Small Business Credit Initiative (SSBCI)

Grantor: Georgia Department of Community Affairs (DCA)

**Due:** Ongoing

**Eligible Applicants:** local development authorities in Georgia

**Information:** The Small Business Jobs Act of 2010 (the "Act") became law in the fall of 2010. The Act created the State Small Business Credit Initiative, funded with \$1.5 billion to strengthen state lending programs that support small businesses and manufacturers. Of the total amount funded, Georgia was allocated \$48,024,748.

The State of Georgia application to the U.S. Treasury was approved and the allocation agreement executed in December 2011. GHFA EDFI/Georgia Department of Community Affairs (DCA) is the administrator of the program. Per the agreement, the oversight with the U.S. Treasury expired on March 31, 2017.

Currently, Georgia's SSBCI offers two programs.

## USDA Rural Business Development Grants

Grantor: U.S. Department of Agriculture (USDA)

**Due:** Ongoing

**Information:** This program is designed to provide technical assistance and training for small rural businesses. Small means that the business has fewer than 50 new workers and less than \$1 million in gross revenue. Rural public entities may apply for this program, including, but not limited to towns, communities, state agencies, authorities, nonprofit corporations, institutions of higher education, federally-recognized tribes, and rural cooperatives (if organized as a private nonprofit corporation). Rural Business Development Grant money must be used for projects that benefit rural areas or towns outside the urbanized periphery of any city with a population of 50,000 or more. Check **eligible areas**. There is no maximum grant amount; however, smaller requests are given higher priority. There is no cost sharing requirement. Opportunity grants are limited to up to 10 percent of the total Rural Business Development Grant annual funding. For more information, please visit **the program webpage**.

## EPA Technical Assistance to Brownfields Communities Program

Grantor: U.S. Environmental Protection Agency (EPA)

**Due:** Ongoing

**Information:** EPA's Technical Assistance to Brownfields (TAB) Communities Program helps communities, states, tribes and others understand risks associated with contaminated or potentially contaminated properties, called brownfields, and learn how to assess, safely clean up and sustainably reuse them. EPA funds three organizations—Kansas State University, the New Jersey Institute of Technology and the Center for Creative Land Recycling—to serve as independent sources of technical assistance. Each of these TABs has an extensive network of partners, contractors and other contacts that provides services across the country. They help communities tackle a variety of challenges related to identifying, assessing, cleaning up and redeveloping brownfields. The technical assistance comes at no cost to communities.

For more information, visit the [technical assistance description](#).

**Eligibility:** state, local and tribal governments

## Five Star and Urban Waters Restoration Grant Program – NEW

Grantor: National Fish and Wildlife Foundation (NFWF)

**Due:** January 28, 2021

**Information:** The Five Star and Urban Waters Restoration grant program seeks to develop community capacity to sustain local natural resources for future generations by providing modest financial assistance to diverse local partnerships focused on improving water quality, watersheds and the species and habitats they support.

Projects include a variety of ecological improvements along with targeted community outreach, education and stewardship. Ecological improvements may include one or more of the following: wetland, riparian, forest and coastal habitat restoration; wildlife conservation, community tree canopy enhancement, water quality monitoring and green infrastructure best management practices for managing run-off.

Projects should increase access to the benefits of nature, reduce the impact of environmental hazards and engage local communities, particularly underserved communities, in project planning, outreach and implementation. This program expects that applicants will represent a mixture of urban and rural communities. NFWF may use a mix of public and private funding sources to support any grant made through this program.

**Eligibility:** Eligible applicants include non-profit 501(c) organizations, state government agencies, local governments, municipal governments, Indian tribes and educational institutions.

**Contact:** For more information or questions about this RFP, please contact: Chloe Hundelt | Coordinator, Community Stewardship | Phone: 202.595.2434 | Email: [Chloe.Hundelt@nfwf.org](mailto:Chloe.Hundelt@nfwf.org)

## Green Schoolyards Program – NEW

Grantor: National League of Cities (NLC)

**Due:** January 29, 2021

**Information:** The Children & Nature Network (C&NN) and the National League of Cities (NLC), through the Cities Connecting Children to Nature (CCCN) initiative, offers teams from cities and school districts an opportunity to transform asphalt schoolyards into safe, nature-filled outdoor spaces that benefit students, the community and the local environment. Attend a half-day workshop on February 17, 2021 from 1:00 - 4:00 pm EST which will outline the benefits, process, and next steps for developing green schoolyards in your city. The deadline to apply online is January 29. If you attend the half-day workshop, you will be eligible to apply for technical assistance. This program supports the planning, funding, execution and sustainability of green schoolyards in your city. Eligibility: Cities, school districts and local nonprofit organizations are eligible to apply. The application for the workshop should be submitted by a cross-sector team with four to six members representing at least one city department, one to two school district representatives, and one local organization. All team members must attend the workshop to be eligible for technical assistance.

**Contact:** For questions, please contact Jaime Zaplatosch, Director, Green Schoolyards for Healthy Communities, Children & Nature Network at [jaime@childrenandnature.org](mailto:jaime@childrenandnature.org).

## Georgia Council for the Arts Project Grants – NEW

Grantor: Georgia Council for the Arts (GCA)

**Due:** February 2, 2021

**Information:** Project Grants provide support for arts projects in Georgia. Projects may be one-time events, such as a festival or exhibit, or a series of events, such as a roster of classes or a series of productions. Projects with multiple components must show that there is a cohesive thread and singular goal that ties the elements together.

As a response to the impact of COVID-19 on arts organizations, FY22 Project Grants will allow organizations to apply for capacity building projects. This could include projects such as hiring a consultant to help develop a fundraising plan, a strategic plan, or a COVID safety plan in order to reopen an arts facility. The project must be arts-related. For instance, a development plan for a history museum is not an eligible project.

**Eligibility:** All eligible applicants must be located in Georgia, registered with the Georgia Secretary of State, and must have completed all requirements of any GCA or state of Georgia grant received in or prior to FY20 unless the grantee has received approval for an FY20 grant extension. Organizations that received FY21 grants may apply for FY22 funding.

Eligible applicants must be one of the following:

- a non-profit organization registered with the IRS. Organizations must have their non-profit status by the grant deadline of February 2
- a government entity such as a city, county or local authority
- a public library
- a school
- an entity within a college/university that:
  - has its own community advisory board
  - receives at least 20% of its income for the project from outside the college/university
  - is not an academic department within the college/university
  - manages its own budget

**Contact:** If you have any questions, please contact Tina Lilly, Grants Program Director, at [tlilly@gaarts.org](mailto:tlilly@gaarts.org) or 404.962.4827.

## Cooperative Agreement for the National Suicide Prevention Lifeline and Disaster Distress Helpline – NEW

Grantor: U.S. Department of Health & Human Services (HHS)

**Due:** February 9, 2021

**Information:** The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS), is accepting applications for fiscal year 2021 Cooperative Agreement for the National Suicide Prevention Lifeline and the Disaster Distress Helpline.

The purpose of this program is to:

- manage, enhance, and strengthen the Lifeline that routes individuals in the United States to a network of certified crisis centers that links to local emergency, mental health, and social services resources, and
- support the Disaster Distress Helpline (DDH) to assist residents in the United States and its territories who are experiencing emotional distress resulting from disasters and traumatic events.
- It is expected that this program will increase service capacity and improve behavioral health outcomes by preventing death or injury as a result of suicide and suicide attempts and assisting individuals and communities recover from disasters and traumatic events by providing community-based behavioral health outreach, referral to and engagement with treatment as necessary, and psycho-educational services.

**Eligibility:** Domestic public and private non-profit entities.

## PeopleForBikes Community Grant Program – NEW

Grantor: PeopleForBikes

**Due:** January 22, 2021

**Information:** The PeopleForBikes Community Grant Program supports bicycle infrastructure projects and targeted advocacy initiatives that make it easier and safer for people of all ages and abilities to ride. PeopleForBikes focuses most grant funds on bicycle infrastructure projects such as:

- Bike paths, lanes, trails, and bridges
- Mountain bike facilities
- Bike parks and pump tracks
- BMX facilities
- End-of-trip facilities such as bike racks, bike parking, bike repair stations and bike storage.
- We also fund some advocacy projects, such as:
  - Programs that transform city streets, such as Ciclovías or Open Streets Days
  - Campaigns to increase the investment in bicycle infrastructure.

PeopleForBikes will fund engineering and design work, construction costs including materials, labor, and equipment rental, and reasonable volunteer support costs. For advocacy projects, we will fund staffing that is directly related to accomplishing the goals of the initiative. PeopleForBikes accepts requests for funding of up to \$10,000. We do not require a specific percentage match, but we do look at leverage and funding partnerships very carefully. We will not consider grant requests in which our funding would amount to 50% or more of the project budget. The online application for this grant cycle opens on December 14, 2020. An online Letter of Interest is due January 22, 2021.

**Eligibility:** PeopleForBikes accepts grant applications from

- non-profit organizations with a focus on bicycling, active transportation, or community development
- city or county agencies or departments
- state or federal agencies working locally
