An allocation was made to states to "prevent, prepare for, and respond to" COVID-19 through funding from the Department of Housing and Urban Development (HUD). In total, Georgia received \$82,850,707 from HUD for the CDBG-CV program, including administration. In addition to the CDBG regulations, DCA and its subgrantees must adhere to all additional requirements outlined in Federal Register Notice FR-6218-N-01. <https://www.dca.ga.gov/community-economic-development/funding-programs/community-development-block-grants-cdbg/cdbg-cv>

Redevelopment Fund (RDF)

Deadline: Ongoing

Type: Grant or Loan (Flexible Financial Assistance)

Recognizing that redevelopment projects can be the most challenging economic and community development projects a local government may undertake, the Redevelopment Fund (RDF) was created as a set-aside of Georgia's non-entitlement CDBG Program. The RDF provides local governments access to flexible financial assistance to help them implement projects that cannot be undertaken with the usual public sector grant and loan programs. The RDF finances locally initiated public/private partnerships to leverage investments in commercial, downtown, industrial redevelopment, and revitalization projects that may not proceed otherwise. Unlike other DCA CDBG programs, the RDF uses the CDBG national objective of "eliminating slums or blight." As a result, many smaller scale projects (in downtown areas or blighted industrial areas) may be competitive for RDF financing. <https://www.dca.ga.gov/community-economic-development/funding-programs/community-development-block-grants-cdbg-0>

Renaissance Strategic Visioning and Planning Process (RSVP)

Deadline: Ongoing

Type: Technical Assistance

The Downtown Renaissance Strategic Visioning and Planning Process assists downtowns through the creation of a community-supported vision, plan, and implementation program. The RSVP is both a downtown master planning process and a downtown planning document that illustrates the community's vision for the future and provides the steps to get there. Driven by a robust public input process that seeks the participation of all community members, RSVPs help local governments and community partners prioritize top downtown issues and work to establish a consensus around what must be achieved in the short and long-term.
