

U.S. Department of Housing and Urban Development (HUD)

Continuum of Care Supplemental to Address Unsheltered and Rural Homelessness

Deadline: 10/20/22

Type: Grant and Technical Assistance

The U.S. Department of Housing and Urban Development (HUD) released a first-of-its-kind package of resources to address unsheltered homelessness and homeless encampments, including funds set aside specifically to address homelessness in rural communities.

The \$322 million available under this NOFO will enhance communities' capacity to humanely and effectively address unsheltered homelessness by connecting vulnerable individuals and families to housing, healthcare, and supportive services. This Special NOFO strongly promotes partnerships with healthcare organizations, public housing authorities and mainstream housing providers, and people with lived expertise of homelessness.

HUD Older Adult Homes Modification Program

Deadline: 10/13/22

Type: Grant

The overall purpose of the Older Adult Home Modification Program (OAHMP) is to assist experienced nonprofit organizations, state and local governments, and public housing authorities in undertaking comprehensive programs that make safety and functional home modifications and limited repairs to meet the needs of low-income elderly homeowners.

The goal of the home modification program is to enable low-income elderly persons to remain in their homes through low-cost, low barrier, high impact home modifications to reduce older adults' risk of falling, improve general safety, increase accessibility, and to improve their functional abilities in their home. This will enable older adults to remain in their homes, that is, to "age in place," rather than move to nursing homes or other assisted care facilities.

At least 50 percent of funding under this NOFA will be made available to communities with substantial rural populations.

This Program does not require cost sharing or matching.

HUD Healthy Homes Grant

Deadline: 10/18/22

Type: Grant

The Healthy Homes Program addresses multiple childhood diseases and injuries in the home. The Initiative takes a comprehensive approach to these activities by focusing on housing-related hazards in a coordinated fashion, rather than addressing a single hazard at a time. The HHI builds upon HUD's successful Lead Hazard Control programs to expand its efforts to address a variety of environmental health and safety concerns including: mold, lead, allergens, asthma, carbon monoxide, home safety, pesticides, and radon.

Multiple organizations or multiple units of local government may apply as a consortium, provided an eligible entity is the principal (lead) applicant responsible for ensuring compliance with NOFO requirements, and each entity must meet the Resolution of Civil Rights Matters threshold requirement.

Eligible activities may include:

- Developing low-cost methods for hazard assessment and intervention
- Evaluating the effectiveness of interventions
- Building local capacity to educate residents and mitigate hazards
- Developing and delivering public-education programs

This Program does not require cost sharing or matching, but provides points based on leverage as describe in the Funding Opportunity Announcement.

Targeted Brownfields Assessments (TBA)

Deadline: Ongoing

Type: Grant

EPA's Targeted Brownfields Assessment (TBA) program helps states, tribes, and municipalities minimize the uncertainties of contamination often associated with brownfield sites. This program supplements other efforts under the Brownfields Program to promote the cleanup and redevelopment of brownfield sites. TBAs are considered a grant of services and are conducted by environmental consultants currently under contract with EPA. It is important that the applicant currently have redevelopment plans for the contaminated property. The applicant should apply on behalf of a specific site which it currently owns or can obtain ownership through some other means (e.g. tax foreclosure). Emergency Community Water Assistance Grants

Deadline: Ongoing (accepted year-round)

Type: Grants

This program helps prevent damage or restore households and business' access to clean, reliable drinking water in eligible rural areas and towns following natural disasters (including drought, flood, earthquake, tornado, hurricane, disease outbreak, chemical spill/leak/seepage, and more). A federal disaster declaration is not required. Funding can improve the natural environment and encourage manufacturers and other businesses to locate or expand operations. Applications for this program are accepted year round. Eligible applicants include public bodies, non-profits, and federally recognized tribes. Eligible areas include rural areas with no more than 10,000 residents.

Economic Impact Initiative Grants

Deadline: Ongoing

Type: Grant

This program provides funding to assist in the development of essential community facilities in rural communities with extreme unemployment and severe economic depression. An essential community facility is one that provides an essential service to the local community, is needed for the orderly development of the community, serves a primarily rural area, and does not include private, commercial, or business undertakings. Eligible applicants include public bodies, non-profits, and federally recognized tribes. Eligible areas include rural areas with no more than 20,000 residents that have a “not employed rate” greater than 19.5%, and a median household income below 90% of the state non-metropolitan median household income. Contact a specialist to discuss specific projects before applying.

Rural Economic Development Loan & Grant Program

Deadline: Ongoing and quarterly

Next Deadline: 12/31/22

Type: Revolving Loan Fund

The Rural Economic Development Loan and Grant program provides funding for rural projects through local utility organizations. USDA provides zero-interest loans to local utilities which they, in turn, pass through to local businesses (ultimate recipients) for projects that will create and retain employment in rural areas. The ultimate recipients repay the lending utility directly. The utility then is responsible for repayment to USDA.

USDA provides grants to local utility organizations which use the funding to establish Revolving Loan Funds (RLF). Loans are made from the revolving loan funds to projects that will create or retain rural jobs. When the revolving loan fund is terminated, the grant is repaid to USDA.

Energy Audit & Renewable Energy Development Assistance Grants

Deadline: 1/31/23

Type: Technical Assistance

This program assists rural small businesses and agricultural producers by conducting and promoting energy audits and providing Renewable Energy Development Assistance (REDA).

The assistance must be provided to agricultural producers and rural small businesses. Rural small businesses must be located in **eligible rural areas**. This restriction does not apply to agricultural producers. Assistance provided must consist of:

- Energy audits.
- Renewable energy technical assistance.
- Renewable energy site assessments.

US DOT Strengthening Mobility and Revolutionizing Transportation (SMART) Grants Program

Deadline: 11/18/22

Type: Grant

The SMART program was established to provide grants to eligible public sector agencies to conduct demonstration projects focused on advanced smart community technologies and systems in order to improve transportation efficiency and safety.

A SMART grant may be used to carry out a project that demonstrates at least one of the following:

- Coordinated automation
- Connected vehicles
- Sensors
- Systems integration
- Delivery/logistics
- Innovative aviation
- Smart grid
- Traffic signals

The SMART Grants Program funds purpose-driven innovation to build data and technology capacity and expertise for State, local, and Tribal governments. Communities should target their real-world challenges where the use of new technologies and approaches can create benefits.

Community HOME Investment Program (CHIP)

Deadline: 1/31/23

Type: Grant

Webinar: 11/2/22 at 10 AM – register [here](#)

The Community HOME Investment Program (CHIP) is a federally- funded program designed to provide safe, decent, and affordable housing in Georgia by granting funds to city and county governments, public housing authorities, and nonprofits to 1.) rehabilitate owner-occupied homes, and 2.) build and renovate affordable single-family homes for sale to eligible homebuyers.

The CHIP program does **not** provide direct assistance to individual homeowners and homebuyers. If you are a homeowner in need of financial assistance for repairs to your home, please contact your local government to inquire about housing assistance. You can also email chip@dca.ga.gov for assistance with locating resources that may be available in your area.

CHIP Eligible Activities And Funding Limits:

- \$400,000 available for housing rehabilitation of owner-occupied single-family homes; and
- \$600,000 available for new construction and reconstruction of affordable single-family homes for sale to income-eligible homebuyers

New CHIP applicants are encouraged to apply under the Set-Aside Consideration. **This Set-Aside Consideration is only available to local units of government applicants.** The Set-Aside Applicant must demonstrate any current and/or past community development efforts used to better improve their community without the assistance of state or federal assistance. Applicants that apply for the Set-Aside Consideration cannot have received CHIP funds or State CDBG funds for housing in the last ten years.

State Small Business Credit Initiative (SSBCI)

Deadline: Ongoing

Type: Loan

The Small Business Jobs Act of 2010 (the “Act”) became law in the fall of 2010. The Act created the State Small Business Credit Initiative, funded with \$1.5 billion to strengthen state lending programs that support small businesses and manufacturers. Of the total amount funded, Georgia was allocated \$48,024,748. Currently, Georgia’s SSBCI offers two programs.

1. GA LPP (Georgia Loan Participation Program) is a program where the State purchases a participation of up to 25% of an approved loan, for loans ranging from \$100,000 to \$5,000,000.
2. Georgia SBCG (Small Business Credit Guaranty) is a 50% loan guaranty program with a current maximum loan amount of \$400,000 with a \$200,000 guarantee.

Employment Incentive Program

Deadline: Ongoing

Type: Loan

The Employment Incentive Program (EIP) is a financing program that may be used in conjunction with traditional private financing for economic development projects resulting in employment of low- and moderate-income persons. Many types of public infrastructure projects, or loans to for-profit companies, can be financed with EIP funding. Projects creating opportunities for low- and moderate-income persons (*at least 51% of total jobs created*), greater job security, better working conditions, job training, enhancement of workplace skills, advancement opportunities, and benefits receive the greatest consideration.

CDBG Immediate Threat and Danger Program (ITAD)

Deadline: Ongoing

Type: Grant

The Immediate Threat and Danger Program provides 50% matching funds for community development activities having a particular urgency when existing conditions pose a serious and immediate threat to the health or welfare of the community. The ITAD Program is intended to address situations which are urgent and unique. These situations should typically occur due to state or federally declared disasters. Local funds must comprise at least 10% of project costs. Funding for this program comes from the state's annual Community Development Block Grant (CDBG) program. Applicants can apply for \$50,000 and DCA reserves \$200,000 for "major disasters."

CDBG Section 108 Loan Guarantee Program

Deadline: Ongoing

Type: Loan Guarantee

The CDBG Section 108 Loan Guarantee Program is an economic and community development financing tool authorized under Section 108 of Title I of the Housing and Community Development Act of 1974, as amended. The program is a method of assisting non-entitlement local governments with certain unique and large-scale economic development projects that cannot proceed without the loan guarantee. In order to be eligible a project must meet all applicable CDBG requirements and result in significant employment and/or benefit for low and moderate income persons. Projects that are eligible for financing under existing federal, state, regional or local programs will generally not be considered for guarantee assistance unless the programs would fail to fully meet a project's need. <https://www.dca.ga.gov/community-economic-development/funding-programs/community-development-block-grants-cdbg/cdbg-section>

CDBG-CV Program

Deadline: Ongoing

Type: Grant

The CDBG-CV program originated from the CARES Act of 2020, enacted to provide relief in response to the COVID-19 pandemic. An allocation was made to states to “prevent, prepare for, and respond to” COVID-19 through funding from the Department of Housing and Urban Development (HUD). In total, Georgia received \$82,850,707 from HUD for the CDBG-CV program, including administration. Generally speaking, all typical federal requirements associated with CDBG funding apply to grantees and subgrantees. In addition to the CDBG regulations, DCA and its subgrantees must adhere to all additional requirements outlined in Federal Register Notice FR-6218-N-01.

Redevelopment Fund (RDF)

Deadline: Ongoing

Type: Grant or Loan (Flexible Financial Assistance)

Recognizing that redevelopment projects can be the most challenging economic and community development projects a local government may undertake, the Redevelopment Fund (RDF) was created as a set-aside of Georgia’s non-entitlement CDBG Program. The RDF provides local governments access to flexible financial assistance to help them implement projects that cannot be undertaken with the usual public sector grant and loan programs. The RDF finances locally initiated public/private partnerships to leverage investments in commercial, downtown, industrial redevelopment, and revitalization projects that may not proceed otherwise. Unlike other DCA CDBG programs, the RDF uses the CDBG national objective of "eliminating slums or blight." As a result, many smaller scale projects (in downtown areas or blighted industrial areas) may be competitive for RDF financing. <https://www.dca.ga.gov/community-economic-development/funding-programs/community-development-block-grants-cdbg-0>

Local Maintenance and Improvement Grant (LMIG)

Deadline: Ongoing

Type: Grant

The LMIG program has been developed in cooperation with ACCG, GMA, and others. The annual LMIG allocation is based on the total centerline road miles for each local road system and the total population of each county or city as compared with the total statewide centerline road miles and total statewide population. The LMIG program will allow local governments greater flexibility and quicker project delivery while allowing us to effectively administer the program with a reduced workforce and new funding match requirements.

Capital Projects Fund

Deadline: 10/7/22

Type: Grant

The CPF Grant Program has been designed to address the critical need for high-speed, reliable connectivity that was highlighted by the COVID-19 pandemic. To address this need, the CPF Grant Program is seeking applications to provide funding for Broadband Infrastructure Projects (that reliably meet or exceed download and upload speeds of 100 Mbps) to unserved homes and businesses in Georgia. Applicants are strongly encouraged to consult and engage with the impacted communities as part of this application process to consider the need for access and affordability levels for households and businesses.

OPB Improving Neighborhood Outcomes in Disproportionally Impacted Communities

Deadline: 11/18/22

Type: Grant

Investments in neighborhood features, including parks, recreation facilities, sidewalks, and healthy food access, can work to improve physical and mental health outcomes.

Applicants must use the [Georgia QCT Tract Dashboard](#) to verify that the project proposed resides within a Qualified Census Tract (QCT) in the state. Applications received that are not within a QCT will not be eligible for review.

Eligible Projects:

1. Development of or improvements/maintenance to parks or recreational facilities in Qualified Census Tracts in Georgia.
2. Funding for increased repair or maintenance needs to respond to significantly greater use of public facilities during the pandemic (e.g., increased use of parks resulting in damage or increased need for maintenance).

Match funding is encouraged but not required.

OPB Public Safety and Community Violence Reduction Grant

Deadline: 11/18/22

Type: Grant

Funds to address violent gun crime and community violence that have increased as a result of COVID-19, or to address a decrease in public sector law enforcement staffing as a result of COVID-19, using either of the following program areas:

1. Law Enforcement Staffing
2. Violent Crime Reduction Programs
3. Equipment and Technology
4. Community Violence Intervention Programs

All ARPA applicants must have an organization, or subrecipient, that will serve as the fiduciary agent and assume overall responsibility for the grant. As this is a law enforcement grant, the implementing agency must be a law enforcement agency and the affiliated unit of government will be either the municipal or county governance of the law enforcement agency. Eligible ARPA applicants include:

- Law enforcement agencies
- A unit of local government
- State agencies

Match funding is not required or scored in this application.

The primary program specialist for the Public Safety and Community Violence Reduction Grant Program is Amanda Hawkins (Amanda.Hawkins@opb.georgia.gov). For general questions on our grant programs, applicants may also reach out to grants@opb.georgia.gov.

Renaissance Strategic Visioning and Planning Process (RSVP)

Deadline: Ongoing

Type: Technical Assistance

The Downtown Renaissance Strategic Visioning and Planning Process assists downtowns through the creation of a community-supported vision, plan, and implementation program. The RSVP is both a downtown master planning process and a downtown planning document that illustrates the community's vision for the future and provides the steps to get there. Driven by a robust public input process that seeks the participation of all community members, RSVPs help local governments and community partners prioritize top downtown issues and work to establish a consensus around what must be achieved in the short and long-term.

Georgia Tech Enterprise Innovation Institute

Economic Development Research Program (EDRP)

Deadline: Ongoing, reviewed on a rolling basis

Type: Technical Assistance Matching Grant

The Center for Economic Development Research at Georgia Tech's Enterprise Innovation Institute will be funding a new round of Economic Development Research Program (EDRP) projects and is looking for communities to submit their applications for research. The mission of EDRP is to assist local communities by providing affordable economic development and policy research to enhance their competitive positions. The types of research include strategic planning and visioning, economic forecasting, fiscal and economic impact analysis, community assessments, downtown development planning, and workforce analysis and planning to name a few. If your community has a need for economic development research, is willing to become actively involved in the project during the study phase and follow-up implementation, and is willing to provide some level of cost match, Georgia Tech and EDA want to partner with you to conduct the research. There are limited funds available and projects will be chosen based on local commitment, likelihood of implementation, level of cost match, and obviously a match with the capabilities of the research team at Georgia Tech. We look forward to getting your applications and partnering with you to meet your community's research needs.
