U.S. Department of Labor

Recovery Dislocated Worker Grant (DWG)

Type: Grant

Deadline: 12/31/2026

When Georgia-Pacific, LLC announced in May that it would be closing its containerboard manufacturing mill in Cedar Springs, Georgia, the news was a major blow for more than 500 employees. Now, thanks to a newly awarded \$1.8 million federal grant, WorkSource Georgia and its partners will have more resources to help affected Georgia workers find new jobs and opportunities.

The funding comes through a U.S. Department of Labor Employment Recovery Dislocated Worker Grant (DWG). This 3-year grant, awarded to the Technical College System of Georgia's Office of Workforce Development, is designed to help local economies recover from large layoffs and closures by focusing on reemployment. Funds will be distributed specifically through WorkSource Southwest Georgia which administers federal workforce development programs for the region and has local access points to serve affected workers.

To apply, please contact one of the following WorkSource Georgia offices:

Brownfield Job Training Grants

Type: Grant

Deadline: 9/23/2026

The objective of the Brownfields Job Training Program is to recruit, train, and place unemployed and underemployed residents of solid and hazardous waste-impacted communities. This funding is intended to equip individuals with the skills needed to obtain full-time, sustainable employment. This program promotes the facilitation of activities related to assessment, cleanup, or preparation of contaminated sites, including brownfields, for reuse, while simultaneously building a local workforce with the skills needed to perform remediation work that is supportive of environmental protection and environmental health and safety. A critical part of EPA's Brownfields Job Training program is to further sustainable community revitalization by ensuring that all residents living in communities historically affected by economic disinvestment, health disparities, and disproportionate and adverse exposures to environmental contamination, which may include low-income, sensitive populations, Tribal, and Indigenous communities, have an opportunity to reap the benefits of revitalization and environmental cleanup. Brownfields Job Training Grants provide funding to attract, train, and retain a skilled local workforce by prioritizing unemployed and underemployed residents of communities impacted by a variety of waste facilities, blighted properties, and contaminated sites.

National Trust for Historic Preservation America's 11 Most Endangered Historic Places

Type: Designation / Technical Assistance

Deadline: 10/1/2026

Inclusion on the 11 Most Endangered Historic Places list raises public awareness and can be very effective at discouraging demolition or inappropriate development, or at helping to resolve a pattern of neglect. It can help increase pressure on property owners, elected officials, and other decision-makers to support preservation solutions. When evaluating a potential place for inclusion on the list, the National Trust considers a range of factors, including:

- the history and significance of the place
- the urgency and nature of the threat
- local support and active advocacy for preservation underway
- the potential for creative solutions to restore or revitalize the place
- whether inclusion on the list may have an impact on saving or activating the place

Selected places receive technical assistance from National Trust staff to help maximize the public impact of the designation. Support may include:

- planning for the public announcement
- assistance telling the site's story to national and regional audiences
- support engaging media, volunteers, supporters, and potential partners
- technical assistance and advice related to the preservation effort

T-Mobile

T-Mobile Hometown Grant Application

Type: Grant

Deadline: 9/30/2026

T-Mobile Hometown Grants is a \$25 million, five-year initiative to support the people and organizations who help small towns across America thrive and grow. Hometown Grants are given every quarter to up to 25 small towns. Apply for funding to support a community project of your choice, like revitalizing or repurposing a historic structure, creating a downtown asset or destination, or improving a space where friends and neighbors gather. Projects that are “shovel-ready” and add to a sense of place or could lead to further investment are of particular interest. T-Mobile will award up to \$50,000 for shovel-ready projects. Applicant’s proposal must include plans, budget, timeline, anticipated impact, and up to five letters of support. This is a collaboration between T-Mobile and Main Street America.

CDBG Section 108 Loan Guarantee Program

Type: Loan Guarantee

Deadline: Ongoing

The CDBG Section 108 Loan Guarantee Program is an economic and community development financing tool authorized under Section 108 of Title I of the Housing and Community Development Act of 1974, as amended. The program is a method of assisting non-entitlement local governments with certain unique and large-scale economic development projects that cannot proceed without the loan guarantee. In order to be eligible a project must meet all applicable CDBG requirements and result in significant employment and/or benefit for low and moderate income persons. Projects that are eligible for financing under existing federal, state, regional or local programs will generally not be considered for guarantee assistance unless the programs would fail to fully meet a project's need.

Georgia Department of Community Affairs Downtown Development Revolving Loan Fund (DDRFL)

Type: Grant to Lenders (grants for DDAs to lend to businesses)

Deadline: Ongoing

The purpose of the Downtown Development Revolving Loan Fund (DDRFL) is to assist cities, counties and development authorities in their efforts to revitalize and enhance downtown areas by providing below-market rate financing to fund capital projects in core historic downtown areas and adjacent historic neighborhoods where DDRFL will spur commercial redevelopment. Eligible applicants under this program shall be municipalities with a population of 100,000 or less, counties with a population of 100,000 or less proposing projects in a core historic commercial area, and development authorities proposing projects in a core historic commercial area in municipalities or counties with a population of 100,000 or less. The ultimate user of funds may be a private business or a public entity such as a city or development authority.

Georgia Department of Community Affairs Redevelopment Fund (RDF)

Type: Grant or Loan (Flexible Financial Assistance)

Deadline: Ongoing

Recognizing that redevelopment projects can be the most challenging economic and community development projects a local government may undertake, the Redevelopment Fund (RDF) was created as a set-aside of Georgia's non-entitlement CDBG Program. The RDF provides local governments access to flexible financial assistance to help them implement projects that cannot be undertaken with the usual public sector grant and loan programs. The RDF finances locally initiated public/private partnerships to leverage investments in commercial, downtown, industrial redevelopment, and revitalization projects that may not proceed otherwise. Unlike other DCA CDBG programs, the RDF uses the CDBG national objective of "eliminating slums or blight." As a result, many smaller scale projects (in downtown areas or blighted industrial areas) may be competitive for RDF financing.

Georgia Tech – Enterprise Innovation Institute Economic Development Research Program (EDRP)

Type: Technical Assistance Matching Grant

Deadline: Ongoing, reviewed on a rolling basis

The Center for Economic Development Research at Georgia Tech's Enterprise Innovation Institute will be funding a new round of Economic Development Research Program (EDRP) projects and is looking for communities to submit their applications for research. The mission of EDRP is to assist local communities by providing affordable economic development and policy research to enhance their competitive positions. The types of research include strategic planning and visioning, economic forecasting, fiscal and economic impact analysis, community assessments, downtown development planning, and workforce analysis and planning to name a few. If your community has a need for economic development research, is willing to become actively involved in the project during the study phase and follow-up implementation, and is willing to provide some level of cost match, Georgia Tech and EDA want to partner with you to conduct the research. There are limited funds available and projects will be chosen based on local commitment, likelihood of implementation, level of cost match, and obviously a match with the capabilities of the research team at Georgia Tech. We look forward to getting your applications and partnering with you to meet your community's research needs.

KABOOM!

KABOOM! Community-Built Playspace Grants

Type: Grant

Deadline: Ongoing

Note: Greater Atlanta area only

Description: Our Community-Built Playspace grants are a partnership between your community, one of our dedicated funding partners, and KABOOM! As a Community Partner, you'll lead a process that will center your community's voices — both kids and adults — to design, plan, and build a new playspace using our signature community-build model. Depending on your community's needs, available space on your property, and available funding, KABOOM! offers three different types of playspaces. Once you've submitted an application, KABOOM! will evaluate your eligibility for the different types, and begin a conversation with you to determine which playspace is best for your community's kids. You can preview the application questions here. Take the quiz to confirm your eligibility for this grant. Submit any inquiries through contact form or email apply@kaboom.org.
